

## 2021 FOUNDATIONS INSTITUTE

Join Jerusalem Peacebuilders (JPB) and Kids4Peace Boston (K4PB) this July for an exciting online peacebuilding program. Together, US, Israeli, and Palestinian youth will learn the foundations of leadership, peacebuilding, social justice, and interfaith understanding. Through exploration of topics of identity, storytelling, the Israeli-Palestinian conflict, and project planning, participants will develop new friendships, skills, and courage to make a difference in their communities. Help us build a new foundation for justice and peace in the Middle East!
